# Colin Pearse

Obstetrician & Gynaecologist  
 M.B.B.S., F.R.A.N.Z.C.O.G.

An appointment was made today for you to see Dr Colin Pearse. The details of this appointment appear in the box below. We look forward to seeing you.

Dr Pearse is a Regional Consulting Specialist Gynaecologist, with a generally conservative approach to treatment. Emphasis is placed on explanation and discussion and this is reflected in the allocated appointment time.

Surgical intervention is kept to a minimum.

Please read the enclosed information carefully and contact us if you have problems with your appointment

**Wendy Mulrooney**  
 Practice Manager

Quality Specialist Gynaecology Services

to North East Victoria and Southern N.S.W.

## Your Appointment:

Specialist services including Consultations, Pap smears, Menopause problems, Colposcopy, Contraception and IUCDs, and some minor procedures are provided by Dr Pearse at our Surgery in Wangaratta. Most services are also available at special consulting sessions held frequently in Yarrawonga, Corowa and Myrtleford. The enclosed maps will help you locate us.

The types of services available at the consulting session, the expected duration of the appointments for these services, the estimated fees and the rebates for these services are detailed in this Brochure.

Should an operation be needed, these may be performed at the Base Hospital at Wangaratta, Wangaratta Private Hospital and the Yarrawonga Hospital.

Please check your appointment details carefully. **If you feel that you have been allocated the wrong type of appointment or if you cannot keep your appointment for any reason please contact the surgery** as there is often a waiting list of patients wishing earlier appointments

**A fee may be chargeable for failure to keep an appointment without notifying the Surgery.**

## Fees:

The fees charged by this Surgery reflect the extra costs involved in running a consultative practice, and are based on those recommended by the Australian Medical Association.

**A 10% discount is offered for all accounts settled on the day of service. This discount is extended to 30 days for Pensioners to allow medicare rebates to return.**

Bank Card, Master Card, and Visa are accepted and we have an EFTPOS facility. A small service charge may be applicable for the Rural Hospital consulting sessions to cover the additional costs of rental and transport.

If the estimated fee creates a problem for you, a “Bulk Billed” **Gynaecological Outpatient Clinic** is also run by Dr Pearse, in conjunction with the Hospital Doctors, in the Outpatients Department at Wangaratta Hospital. If you wish to use this service, please contact this Surgery to change your appointment to the Gynaecology Outpatients. Although Colposcopies cannot be performed at the outpatients dept., these can be arranged for patients seen in the gynaecology outpatients clinic at no extra cost.
